

**Exclusive for
Jobbsprånget applicants:**

**5 Online Sessions
to Boost Your Employability
Autumn 2025**

Don't miss the chance to boost your job search!

We have meticulously set up a package of online sessions to help increase your chance of getting notified by employers. We handpicked experts and strong profiles who will share their knowledge and best practices with you!

The sessions are exclusive to those who applied to Jobbsprånget internship programme autumn term 2025. They won't be available to general public and will address specific issues related to Jobbsprånget target group: the challenges they're facing, the opportunities ahead and the strength within.

We look forward to having you on the sessions!
